About us.

InCommerceLLC was established in 2010 as an option for the marketing and distribution of natural and healthy products from Colombia and other South American countries into the North American market. Colombia has been known for developing quality products and has also received high recognition as an innovative and safe producer of food goods.

InCommerceLLC is located in Bridgeport, Connecticut and is led by a group of people who have more than 18 years experience in the regional Retail Market and which have more than 30 years experience in International Markets. This experience provides our company with strength and stability that will enable growth and expansion.

Our customers are the most important part of our business, and we work tirelessly to insure your complete satisfaction, now and for as long as we work together.
All of our products are certified Kosher and some are certified Organic.
